This is an amazing place for friends & families to have an original, fun and COOL day out in Okinawa!

NOTE: It is freezing in the ice arena so I would suggest you bring your jeans and sweaters. Also you need gloves in order to be in the ice ring, they sell them for 300yen or you can stop at a local 100yen store & buy a couple before heading out

(SHSW has also other activities: Bowling, pool hall, video arcade, batting cages...)

Light snack foods are available.
