HORIZON 2020

New Opportunities for Researchers in Japan to Join
International Projects, Networks and Exchanges

Tue. June 17th

5-6pm

@B250 Seminar Room

Speaker

Dr. Barbara Rhode

Minister Counsellor,
Head of Science and Technology,
EU Delegation to Japan

With the new research funding programme "Horizon2020" the EU is investing € 80 bn (~10 trillion Yen) over 7 years (2014-2020) in new opportunities for international research cooperation. Participation in Horizon2020 projects is possible for OIST and all institutes and research entities established in any country from all over the world.

Barbara Rhode, Head of Science and Technology at the EU Delegation in Tokyo will explain the EU's new "Horizon2020" programme and how to participate from Japan.

HORIZON 2020
