

NEA & ASIAHORCs Joint Symposium

on Chemical Biology in Okinawa

© OIST/Peter Ginter

Dates

Monday **9** & Tuesday **10**
November 2015

Venue

Okinawa Institute of Science
and Technology (OIST)

Room

C209

Theme

Chemical Biology

Coordinators

Japan	Prof. Tadashi Yamamoto	Okinawa Institute of Science and Technology (OIST)
	Prof. Masatoshi Hagiwara	Kyoto University
China	Prof. Lixin Zhang	Institute of Microbiology, Chinese Academy of Sciences
Korea	Prof. Seung Bum Park	Seoul National University

Attendees

- About 30 researchers from Japan, China and Korea
- About 15 researchers from India, Indonesia, Malaysia, Philippines, Singapore, Thailand and Vietnam

Schedule (TBC)

Mon. 9	9:30a.m.- 6:00p.m. Session
Tue. 10	9:30a.m.- 5:30p.m. Session

The following two symposia are held together during the term.

■ Northeastern Asian (NEA) Symposium

The symposium is co-organized by Japan (JSPS), China (NSFC) and Korea (NRF) to discuss important and innovative topics.

■ The Asian Heads of Research Councils (ASIAHORCs) Joint Symposium

The symposium is held as one of the joint projects of the ASIAHORCs which comprises the ten major countries in Asia, including Japan, China and Korea. The aim of the symposium is to foster young researchers who share the common research topics and establish networks.

Organized by
Japan Society for the Promotion of Science
5-3-1 Kojimachi Chiyoda-ku, Tokyo 102-0083

JAPAN SOCIETY FOR THE PROMOTION OF SCIENCE
日本学術振興会

Audience Registration

The symposium is open to public up to 15 persons*.
Please send email to the secretariat to register by using the address shown below.

*First-come, first-served basis
