This event will be in English.

Registration

Registration deadline
April 21st, 2022

Panel Discussion

OIST

Professor
Complexity Science and Evolution Unit
Ulf Dieckmann

Science and Technology Associate
Science Technology Group
Payal Shah

Professor
Marine Climate Change Unit
Timothy Ravasi

Professor
Genomics and Regulatory Systems Unit
Nicholas M. Luscombe

Tohoku University

Professor
Ecological Integration Laboratory
Michio Kondoh

Talk Session

OIST

Professor
Complexity Science and Evolution Unit
Ulf Dieckmann

Postdoctoral Scholar
Marine Climate Change Unit
Roger Huerlimann

Research Fellow
Marine Eco-Evo-Devo Unit
Kina Hayashi

Tohoku University

Associate Professor
Physical Oceanography Laboratory
Shusaku Sugimoto

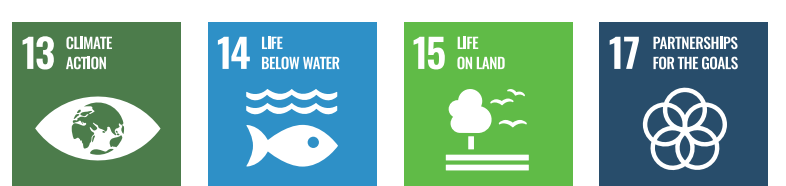

Professor
Ecological Integration Laboratory
Michio Kondoh

Assistant Professor
Marine Plant Ecology Laboratory
Haruka Suzuki

University of the Ryukyus

Associate Professor
MISE (Molecular Invertebrate Systematics & Ecology) Lab
James Reimer

Professor
Kurihara Laboratory, Faculty of Science
Haruko Kurihara
