

OIST - Kyoto University Joint Workshop

Challenge in

Biomedical Complexity

Textile Design Credit: Chibana-Hanaori Business Cooperative

2022
NOV. 2nd ▶ 4th

Free Admission

OIST Okinawa Institute of Science and Technology
Graduate University
Sydney Brenner Lecture Theater (B250)
and **Zoom meeting**

Registration

This event will be in English.
Registration deadline is
October 25th, 2022.

Main Talk Session

OIST

Electron Microscopy Expert
Research Support Division

Bruno Humbel

Associate Professor
Immune Signal Unit

Hiroki Ishikawa

Assistant Professor
Cell Division Dynamics Unit

Tomomi Kiyomitsu

Professor
Optical Neuroimaging Unit

Bernd Kuhn

Professor
Membrane Cooperativity Unit

Akihiro Kusumi**

Assistant Professor
Protein Engineering and Evolution Unit

Paola Laurino

Professor
Molecular Cryo-Electron Microscopy Unit

Matthias Wolf

Professor
Cell Signal Unit

Tadashi Yamamoto*

Kyoto University

Professor
CIRA

Yoko Hamazaki

Professor
Graduate School of Medicine

Yasunori Hayashi

Professor
Graduate School of Medicine

Kazuhiro Iwai

Professor
Graduate School of Medicine

Michiyuki Matsuda

Associate Professor
Graduate School of Medicine

Norimichi Nomura

Professor
iCeMS

Jun Suzuki

Professor
Graduate School of Medicine

Osamu Takeuchi*

Professor
Graduate School of Medicine

Hideki Ueno

Professor
Graduate School of Medicine

Dai Watanabe**

*Scientific Organizing Committee Member

**Scientific Organizing Committee Member and Program Organizer
