OIST'S VISITING PROGRAM

## CALL FOR PRE-PROPOSALS FOR THEMATIC PROGRAMS

**APRIL 2025 – MARCH 2027**

OIST is excited to continue Thematic Programs as part of its Visiting Program, with this call for Pre-Proposals for programs to be held in FY2025/26. In Keeping with OIST's interdisciplinary mission, the program spans all fields including, but not limited to, mathematics, physics, computational sciences, chemistry, engineering, and life sciences.

### Thematic Programs (TPs)

- Hosted by two or more researchers (scientific coordinators)
- 1 to 2 months in duration
- Funding to invite additional participants (4-8 at any one time)
- Can include a symposium to be hosted at OIST (optional)

### Provided by OIST

- Round-trip airfare
- On-campus housing
- Daily allowance
- Office space
- Symposium/workshop expenses
- Logistical and administrative support from TSVP staff
- Access to OIST's Computing resources, library, and research facilities

Application Deadline

**Aug. 31**

**2024**
