

OIST-KEIO Showcase Talk Series 6 & YIL Pre-EVENT

TALK SHOW

Science meets Society : From Symbiotics to Enactive Minds

“Human-computer augmentation:
Challenges and opportunities”

2024

Sep. 25 (Wed) 3pm-5pm

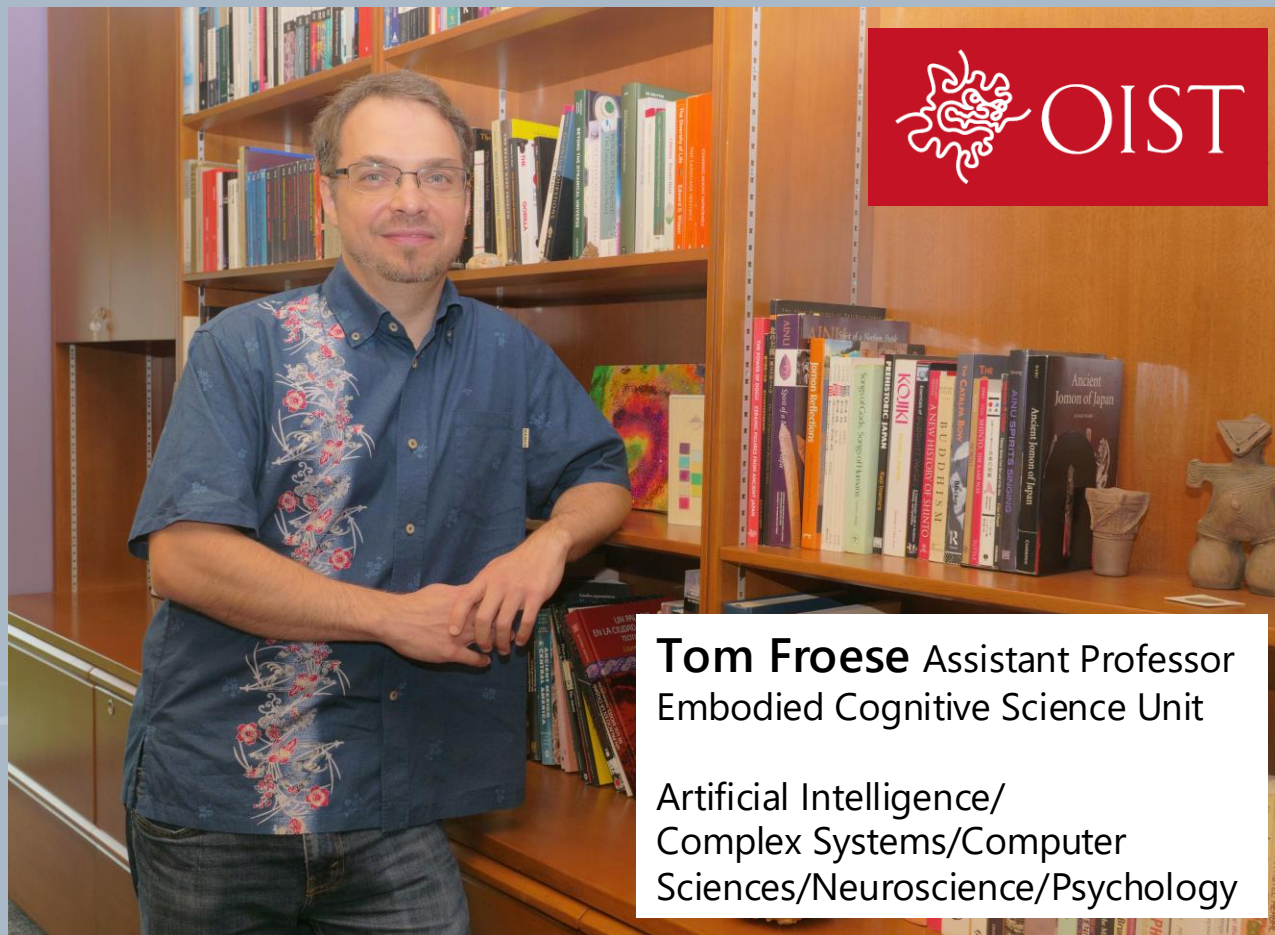

YagamiCampus

OISTers CAN JOIN ONLINE!

TOPICS

- YIL Introduction -Toshiharu Saiki
- Keynote speech -Tom Froese
“Human-computer augmentation: Challenges and opportunities”
- Roundtable Talk
The guest with three members of Faculty of Science and Technology
- Campus Stroll -Junichi Ushiba
Manufacturing center
Laboratory of Prof. Ushiba: Brain and AI etc.

Tom Froese Assistant Professor
Embodied Cognitive Science Unit

Artificial Intelligence/
Complex Systems/Computer
Sciences/Neuroscience/Psychology

Yuki Imoto

-Associate Professor
-Department of Foreign
Languages and Liberal Arts
(Educational Anthropology/
Foreign Language Education/
Contemplative Education)

Charu Datt

-Senior Assistant
Professor
-Department of
Mechanical
Engineering
(Biophysics/
Active Matter/
Complex Fluids/
Pattern Formation)

Eiko Matsuda

-Senior Assistant
Professor
-Department of
System Design
Engineering
(Synesthesia/
Fantasy/Artificial Life/
Embodied Cognitive
Science)
