

OIST-JAIST Joint Symposium

"Collaborative Innovation for Sustainable Future through Advanced Materials Science"

November 27th, 13:30-17:00*

**Poster Session/ Networking Dinner to follow.*

PROGRAM

OPENING

13:30 0:05 *Opening Remarks by Dean of Research Satoshi Mitarai of OIST*

13:35 0:05 *Welcoming Remarks by President Karin Markides of OIST*

TALK SESSION 1

13:40	35min + Q&A	Dr. Tadashi Yamamoto	Professor, OIST	Development of a New Methodology of Cancer Chemotherapy	Chair: Yukari Nagai (JAIST)
14:25	35min + Q&A	Dr. Motoichi Kurisawa	Professor, JAIST	Enhancing Healing Power with Green Tea Nanomedicine for the Treatment of Intractable Diseases	
15:10	0:10	Break			

TALK SESSION 2

15:20	35min + Q&A	Dr. Christine Luscombe	Professor, OIST	Dual-catalytic Reactions to Promote Previously Inaccessible Reactions	Chair: Tadashi Yamamoto (OIST)
16:05	35min + Q&A	Dr. Toshiaki Taniike	Professor, JAIST	Streamlining Materials Discovery by High-Throughput Experimentation and Machine Learning	

Closing

16:50 0:05 *Closing remarks by Provost Amy Shen of OIST*

16:55 0:05 *Closing Remarks by Trustee and Vice President for Research Promotion and Social Collaboration Yukari Nagai of JAIST*

Poster Presentation and Networking Dinner

17:30 *Please proceed to Lab 5 Atrium if you have registered to attend the networking dinner.*

**This program is subject to change without prior notice.*
