

How to Separate Beach Trash

Please separate beach trash in the following 4 categories:

1. Burnable

【Examples】 Clothes, diapers, food waste, plastic bottles, vinyl bags, disposable food trays, styrofoam, paper, plastic containers, CDs, DVDs, Videos

※ Please do **NOT** include anything natural on the beach such as driftwoods, grass, seaweeds

2. Non-Burnable and Cans

【Examples】 tin cans (paint, food, etc.), electric appliances, razors, bottle caps, frying pans, kettles, pots, nails, ceramic dishes and flower vases, lighters, mirrors

※ If possible, please wrap sharp items in paper.

3. Glass Bottles

【Examples】 glass bottles (beer, wine, liquor), glass containers (jam, food)

4. Hazardous Materials

【Examples】 light bulbs, batteries, mercury thermometers, needles, syringes, ampoules.

5. Big trash that cannot be put in a trash bag can be left with other trash bags.

Where to Leave the Trash

Trash bags can be left on the sidewalk where a garbage truck can easily pick up. Please make sure not to block the sidewalk for pedestrians.
