

OIST

JST
Act-X

Joint

Mini
Symposium

“Life and Chemistry”

Monday, Jan 27th

Lab5, Level D, Room L5D23, 13:00 ~ 17:30

Registration free

The cutting edge biology meets the state of the art chemistry.

Hibernation and Torpor

Computational Neuroethology

High-Resolution Gene Mapping

Cell Division Dynamics

Natural Products Biology

Developmental Neurobiology

Molecular Bioengineering

Synapses, sleep, chemogenetic tool
