

NATURE RESONANCE URBAN ECHOES

art installation

This exhibition explores the impact of urban and natural soundscapes from cognitive and physiological perspectives. Visitors are invited to explore the influence that sound and visual stimuli have on our minds and bodies by experiencing the cutting-edge spatial audio technology employed in this art installation.

SEPT. 1 – SEPT. 28 | 9:00 – 17:00

OIST Tunnel Gallery, 1919-1 Tancha,
Onna-son, Kunigami-gun, Okinawa

NO RESERVATION REQUIRED | FREE ENTRY
