Technology

# OIST cryo-electron microscopy course 2026

28-30<sup>th</sup> January 2026 (9:00-18:30 JST)

Admission is free! Register to access an online live stream of the lectures. Join as an on-site attendee to participate in specialist-led, interactive demonstrations of the complete SPA and cryo-ET workflows.

## Instuctors:

Mihnea Bostina

University of Otago

Satomi Inaba-Inoue

KEK

Yoshimasa Takizawa

University of Tokyo

Raymond Burton-Smith

National Institute of Physiological Sciences

Takayuki Kato

Osaka University

Reiya Taniguchi

RIKEN Center for Integrative Medical Sciences

Wen Chang

Academia Sinica

Yongchan Lee

Yokohama City University

Matthias Wolf

Okinawa Institute of Science and Technology

Simon Corroyer-Dulmont

Okinawa Institute of Science and Technology

Toshio Moriya

KEK

Kuen-Phon Wu

Academia Sinica

Yoshiyuki Fukuda

Tokushima University

Endang Purba

Okinawa Institute of Science and Technology

Mingjun Xu

Okinawa Institute of Science and Technology

Sakurako Goto

RIKEN Center for Integrative Medical Sciences

Oleg Sitsel

Okinawa Institute of Science and Technology

## Organizers:

Toshiaki Mochizuki

Oleg Sitsel

Matthias Wolf

Rafael Ayala Hernandez

Okinawa Institute of Science and Technology

Kunimichi Suzuki

Keio University
