

OIST-Keio SHOWCASE TALK

Series Vol. 9

Proteins in Focus: Cryo-EM and Structural Frontiers

OIST

Paola Laurino
Protein Engineering and Evolution Unit

Oleg Sitsel
Marine Structural Biology Unit

Matthias Wolf
Molecular Cryo-Electron Microscopy Unit

Keio University

Eita Sasaki
Faculty of Pharmacy

Kuni Suzuki
Human Biology Microbiome Quantum
Research Center (Bio2Q)

Takanori Yokoo
School of Medicine

The University of Osaka

Takayuki Kato
Institute for Protein Research

Genji Kurisu
Institute for Protein Research

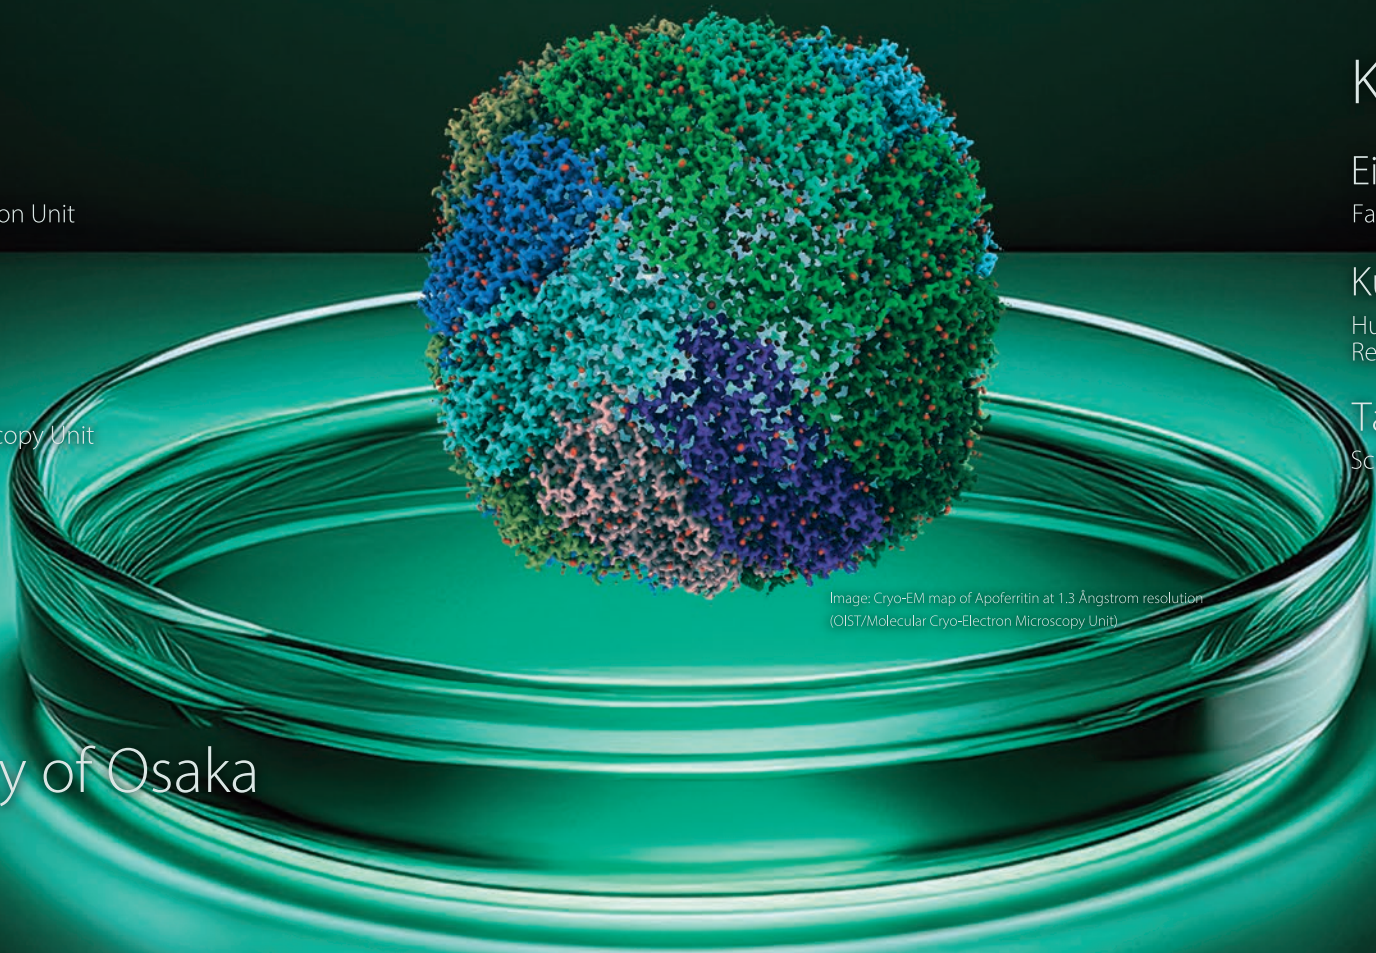

Image: Cryo-EM map of Apoferritin at 1.3 Ångstrom resolution
(OIST/Molecular Cryo-Electron Microscopy Unit)

Tue., Jan. 27, 2026

9:30–16:30

OIST B250

Sydney Brenner Lecture Theater

Registration
required
