

Innovation From **Okinawa** to the World

Lessons for the Next Chapter of Innovation

A Farewell Talk with Gil Granot Mayer, Executive Vice President for Innovation

Since joining in early 2021, Gil has helped build a stronger innovation function at OIST — a growing startup and entrepreneurship platform, incubators, deeper industry and investor relationships, and a clearer role for OIST within Okinawa's and Japan's innovation ecosystem.

In this farewell talk, he will reflect on nearly six years of building and strengthening OIST's innovation platform, and share insights to help carry that momentum forward — for OIST, for Okinawa, and for Japan's innovation ecosystem more broadly.

Please join us for this special opportunity to hear his reflections and to thank him for his dedication and contributions to our community.
