How to Communicate Across Cultures

Lunchtalk

Friday, October 9, 2026

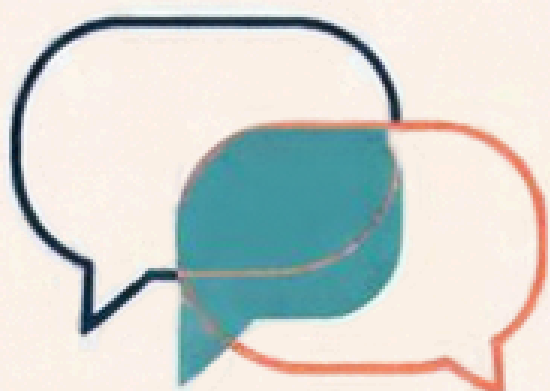

12:00 PM

Bring your own lunch

Today, we'll explore how culture influences communication, why misunderstandings happen even when everyone is speaking the same language, and what practical strategies we can use to create more open, inclusive, and effective conversations across cultures.

With people from over 70 countries represented, our diversity brings rich perspectives and also creates unique communication challenges.

**Open conversation
across cultures**
