

# How to use the Projector in B043

- 1** Connect your PC to the HDMI\* cable.  
\*Use the appropriate adapter if necessary.
- 2** Press the **ON** button on the remote control.
- 3** Press the input button corresponding to the HDMI input source (D).

## Troubleshooting

- **No Image on screen?**  
Unplug and reconnect the video cable to your laptop, ensuring it is firmly connected. Double check that you selected the correct input source on the remote.

**PLEASE DO NOT LEAVE THE PROJECTOR ON**

Press the **STANDBY** button on the remote control to turn off the projector.
