

**Okinawa Institute of Science and Technology
Postdoctoral Scholar, Marine Biophysics Unit**

The Okinawa Institute of Science and Technology Graduate University (OIST; see www.oist.jp) is a dynamic new graduate university of science and technology in Okinawa Prefecture, Japan. The university is located on 85 hectares of protected forestland overlooking beautiful shoreline and coral reefs. The campus is striking architecturally, and the facilities are outstanding (OIST campus video tour). There are no academic departments, which facilitates multidisciplinary research. Outstanding resources and equipment are provided and managed to encourage easy access and collaboration. English is the official language of the University, and the university research community is fully international, with more than 50 countries represented. OIST is rapidly gaining recognition in the worldwide academic community as a model for excellence in education and research.

Position Summary:

The Marine Biophysics Unit (MBU; <https://groups.oist.jp/mbu>) of the Okinawa Institute of Science and Technology Graduate University (OIST; see www.oist.jp) seeks postdoctoral researchers in ocean modeling.

Position:

Postdoctoral Scholar
