What is *University Press Scholarship Online*?

- *University Press Scholarship Online* brings the same cutting-edge search and discovery functionality that has marked the success of *Oxford Scholarship Online* to a greatly expanded content base
- UPSO delivers content from university presses around the world, including the University of California Press, Hong Kong University Press, and Stanford University Press, plus Oxford University Press content via *Oxford Scholarship Online*
- UPSO allow users to deep search the full range of monograph scholarship with over 13,500 titles across over 28 subject areas, from the world's top university presses
- Content is provided in XML, which allows for deep tagging and results in a better search experience
- Comprehensive structure helping users to identify content to suit their research needs with abstracts and key words freely available at book and chapter level
- An invaluable teaching resource – with DOIs at book and chapter level for linking from online class packs and reading lists with remote access for all your students
- Regularly updated with newly published works

University Press Scholarship Online

Navigating from the Home Page

The Home Page allows the user to navigate to content quickly and intuitively. Search and Browse options are available on every page, as well as access to an Advanced Search option for more direct searching.

- 1 Use the Browse subject menu to view all titles in a subject area.
- 2 Set *Subject Specializations* to limit your search to specific subject area(s)
- 3 Subscribe to our RSS feed to deliver the latest UPSO news straight to your desktop

The screenshot shows the homepage of the University Press Scholarship Online (UPSO) website. At the top, there is a navigation bar with links: About, What's New, Partner Presses, Subscriber Services, Contact Us, Take a Tour, and Help. Below this is a search bar with a magnifying glass icon and a 'Search' button. To the right of the search bar, there are links for 'Sign in', 'Not registered? Sign up.', and 'Advanced Search'. Below the search bar, there is a section for 'Browse by Subject' with a dropdown arrow. This section contains a grid of subject areas: Anthropology, Classical Studies, History, Mathematics, Philosophy, Public Health and Epidemiology, Sociology, Archaeology, Economics and Finance, Law, Music, Physics, Religion, Biology, Education, Linguistics, Neuroscience, Political Science, Social Work, Business and Management, Film, Television and Radio, Literature, Palliative Care, Psychology, and Society and Culture. To the right of the subject grid, there are links for 'My entries (0)' and 'My searches (0)'. Below the subject grid, there is a 'Welcome to University Press Scholarship Online' section with a paragraph about the library and a link to 'Watch our short video to learn more about UPSO.' To the right of this is a 'Featured Book' section for 'Italy's Eighteenth Century: Gender and Culture in the Age of the Grand Tour' by Paula Findlen, Wendy Wassyng Roworth, and Catherine M. Sama. Below the featured book is a 'UPSO in numbers ...' section with statistics: 25 subject modules, 12,897 books, Over 300 subdisciplines, Over 11,476 authors from over 50 countries worldwide. To the right of the featured book is a 'Partner presses' section listing various partner presses and a link to 'View all partners'. At the bottom right, there is a date 'JUNE 21, 2013' and a section titled 'Two new partner presses launch on UPSO!' mentioning Liverpool University Press and Stanford University Press.

FEATURED BOOK

Italy's Eighteenth Century: Gender and Culture in the Age of the Grand Tour

Paula Findlen, Wendy Wassyng Roworth, and Catherine M. Sama

In the age of the Grand Tour, foreigners flocked to Italy to gawk at its ruins and paintings, enjoy its salons and cafés, attend the opera, and revel in their own discovery of its past, but they also marveled at the people they saw, both male and female. In an era in which castrati were "rock stars," men served women as cicerones, and dandified Englishmen became macaroni, Italy was perceived to be a place where men became women. The great publicity surrounding female poets, journalists, artists, anatomists, and scientists, and the visible roles for such women in salons, academies ... [Read more](#)

University Press Scholarship Online

Browsing by subject

The Browse menu is available on every page and allows you to view all titles within a specific subject area. When you select a subject, the Browse results page is displayed.

- 1 The subject carousel appears at subject level and shows new titles in the selected subject area. Use the arrows at the site of the carousel to move through the titles and click a cover to view the book.
- 2 Access the full title list for the current subject selection – available as both PDF and XLS
- 3 View (or remove) current filter selection in UPSO
- 4 Use filters in the left panel to narrow your choices further (publication date, sub-disciplines)
- 5 View the access type for each listed title – an open or closed padlock icon indicated full-text or abstract-only access

The screenshot shows the University Press Scholarship Online homepage. At the top, there is a navigation bar with links like 'About', 'What's New', 'Partner Presses', etc. Below this is a search bar and a 'Browse by Subject' section. The 'Browse by Subject' section is a carousel showing various subject categories like Anthropology, Archaeology, Biology, Business and Management, etc. Below the carousel is a 'History' section with a carousel of book covers. The 'History' section is annotated with a red circle and the number 1. Below the 'History' section is a search bar and a list of search results. The search results are annotated with red circles and numbers 2 through 5. The left sidebar contains a list of filters, including 'University Presses' and 'Publication Date', which is annotated with a red circle and the number 4. The main content area shows search results for 'History', including titles like 'Gordian Knot', 'Dance Research', 'Parenting in England 1760-1830', '1895: Drama, Disaster and Disgrace in Late Victorian Britain', and 'A Gentleman and an Officer: A Military and Social History of James B. Griffin's Civil War'. The search results are annotated with red circles and numbers 2 through 5. The bottom of the page features a footer with the Oxford University Press logo and the website URL.

University Press Scholarship Online

Working with Subject

Specializations in the Quick search

The Quick Search box is available on every page. You can pre-filter your search queries by using the *Search my subject specializations* feature. Your selection will remain available to toggle on your searches throughout your session.

- 1 Click *Search my Subject Specializations* to display the subject menu
- 2 Check the subjects you require to limit your search
- 3 Once you've made selections you can then use the toggle box to apply or de-select the filter when searching

The screenshot displays the University Press Scholarship Online website. At the top, there is a navigation bar with links: About, What's New, Partner Presses, Subscriber Services, Contact Us, Take a Tour, and Help. Below this is the site title "University Press Scholarship Online" and a search bar. To the right of the search bar is a link for "Advanced Search". Below the search bar is a checkbox labeled "Search my Subject Specializations: Select ...". A red circle with the number 1 is placed over this checkbox. A dropdown menu is open, showing a list of subjects with checkboxes next to them. A red circle with the number 2 is placed over the "Biology" checkbox. A red circle with the number 3 is placed over the "Search my Subject Specializations: Select ..." checkbox. Below the dropdown menu, there are three book covers: "Marine Ecosystems and Global Change", "Emerging Avian Disease", and "Return to the Sea". Below the book covers, there is a section titled "You are looking at 1-10 of 243 items for: Biology". Below this section, there is a list of university presses and a list of books. The first book is "Adapting to a Changing Environment: Confronting the Consequences of Climate Change" by Tim R. McClanahan and Joshua Cinner. The second book is "Aging of the Genome: The dual role of DNA in life and death" by Jan Vijg.

U.S. Policy toward Latin America since 1959

How Exceptional Is Cuba?

Lars Schoultz

DOI:10.5744/florida/9780813040233.003.0002

[–] Abstract and Keywords

This chapter explains the ways in which U.S. policy toward revolutionary Cuba has differed from its policy toward the rest of Latin America. Washington's refusal to recognize the government of Cuba has far exceeded the distance it maintains with other revolutionary or enemy states. Whereas the United States recognized the Soviet Union sixteen years after the Bolshevik seizure of power and recognized the People's Republic of China twenty-two years after 1949, the level of hostility toward Havana has been such that the United States refrains from normal diplomatic relations to this day and has spent most of the past five decades trying to overthrow the island's government. There is no situation even

American Woman, Italian Style

Carol Bonomo Albright and Christine Palamidessi Moore

ABSTRACT
With writings that span more than thirty-five years, this book is a collection of essays that fleshes out the realities of today's Italian-American women and explores the myriad ways they continue to add to the American experience. The status of modern Italian-American women in the United States is noteworthy: their quiet and continued growth into respected positions in the professional worlds of law and medicine surpasses the success achieved by that of the general population — so too does their educational attainment and income. Contributions include Donna Gabaccia on the oral-to-written history of Italian-American women. [More](#)

Keywords: Italian American women, American experience, Jewish-Italian, gender, ethnicity, immigrant, success, entrepreneurship

Saving links with your personalisation options

UPSO has personalisation features that can be accessed via a free account. These allow you to save links to commonly used books, chapters, and search results.

- 1 Sign in or sign up for a free account through the links on the top toolbar
- 2 Once signed in, you have access to *My Work*
- 3 View recent activity on the *Most Recent* tab
- 4 View links to saved chapters and books on *My Content* tab
- 5 View links to saved searches on *My Searches* tab
- 6 Change your account password in *My Account* tab
- 7 Quickly access saved links from the *My Content* and *My Searches* drop down menus

The screenshot shows the University Press Scholarship Online homepage. At the top, a navigation bar includes links for 'About', 'What's New', 'Partner Presses', 'Subscriber Services', 'Contact Us', and 'Help'. A user is logged in as 'Naomi', with links for 'Welcome back, Naomi', 'My Work', and 'Sign Out'. A search bar is present with a 'Search' button and a dropdown for 'Search my Subject Specializations: Select ...'. Below the search bar is a 'Browse by Subject' section with a grid of subject categories: Anthropology, Archaeology, Biology, Business and Management, Classical Studies, Economics and Finance, Education, Film, Television and Radio, History, Law, Linguistics, Literature, Mathematics, Music, Neuroscience, Palliative Care, Philosophy, Physics, Political Science, Psychology, Public Health and Epidemiology, Religion, Social Work, and Society and Culture. To the right of the subject grid are links for 'My entries (0)' and 'My searches (5)'. Below the subject grid is a 'My Work' section with tabs for 'MOST RECENT (1)', 'MY CONTENT (0)', 'MY SEARCHES (1)', and 'MY ACCOUNT'. The 'MOST RECENT (1)' tab is active, showing a list of 1 item. The list has columns for 'Title', 'Type', 'Date Saved', and 'Action'. The first item is 'globalization' with a 'search' type, 'Saved today' date, and 'Edit' and 'Delete' actions. A 'Delete' button is also visible at the bottom of the list. At the very bottom of the page, there is a link to 'Download MarcRecords file'.

Bayesian Smoothing and Regression for Longitudinal, Spatial and Event History Data

Ludwig Fahrmeir and Thomas Kneib

ABSTRACT

Several recent advances in smoothing and semiparametric regression are presented in this book from a unifying, Bayesian perspective. Simulation-based full Bayesian Markov chain Monte Carlo (MCMC) inference, as well as empirical Bayes procedures closely related to penalized likelihood estimation and mixed models, are considered here. Throughout, the focus is on semiparametric regression and smoothing based on basis expansions of unknown functions and effects in combination with smoothness priors for the basis coefficients. Beginning with a review of basic methods for smoothing and mixed models, ...
