

2nd Annual SCORE!

Creating the Next Generation of Scientists, Engineers, and Entrepreneurs Science Fair

You Can Win Great Prizes!

The individual or group whose presentation shows the best combination of scientific research and application to business or everyday life can win prizes like round-trip tickets from Okinawa to the U.S., an internship opportunity with OIST, and more!

November 2 (Sat.)

10:00-17:00

Venue: OIST Auditorium

Application Qualification

All senior high school-aged students in Okinawa are eligible

How to Apply?

Please apply at <http://groups.oist.jp/score>

※Application Period : Thur. August 1st - Mon. September 30th

What is SCORE?

- Do a science project and give a short oral presentation about how it can be used in business or daily life to make money or to make life better.
- You can do the project by yourself or as a team (max 3 people).

※ There are no limits on the number of entries, but capacity constraints may require that we limit the number of presentations. If we receive more entries than we can accommodate, we will pre-screen the applications. Every effort will be made to accommodate all interested students.
