Orix Rent a Car rental rates include insurance coverage

① Insurance Coverage : Compensation Amounts

		Compensation amount	Deductible amount
Person	Maximum limit per person	No limit (including automobile liability insurance)	None
Property		No limit	50,000yen
Vehicle	Maximum limit per accident	Market value	Microbuses and suspension aluminum vans, etc. (excluding vehicles for welfare purposes) : 100,000yen
			2-ton or heavier trucks and double cabs : 70,000yen
			Other vehicles : 50,000yen
Bodily injury	Up to 30 million yen per person * * Compensation will be paid for injuries to passengers (including residual disability) and death caused by an automobile accident regardless of the degree of the driver's responsibility (up to 30 million yen; the amount of damage will be calculated by the insurance company based on the terms of the insurance policy).		

About Collision Damage Waiver (CDW) Program

In the event of an accident, the system waives your responsibility for paying deductibles regarding any property and/or vehicle damage.

	Admission fee (per period of 24 hours)	If you accept the CDW system
All classes excluding the following classes	1,100yen (tax included)	Deductible amount 0 yen
E / EE class or higher, RE class or higher, trucks of 2t or higher class, double cabs, microbuses or suspension aluminum vans *1 (excluding vehicles for welfare purposes).	2,200yen (tax included)	

② About Non-Operation Charges (NOC)

In the event of the rental car's accident, theft, breakdown, defacement and/or other problems on account of any reason not attributable to our company, should it becomes necessary to carry out repairs, cleaning and/or other tasks for the car, the following fees will be charged to you as part of "compensation for business" during the time of the repairs, cleaning, and/or other tasks. (The NOC system will also be applied to in-vehicle equipment damage, holes burned in seats, etc.)

When the rental car is driven back to the scheduled business office

20,000 yen

When the rental car cannot be driven back

50,000 yen

* The NOC system will be applied to you even when you accept the CDW system.

About Rental car Assistance Pack (RAP) ※Track is not APPLICABLE

- In the event of an accident, your responsibility for paying the NOC amount will be waived.
- If your vehicle suffers a puncture, the damaged tire will be repaired or replaced free of charge.
- There will be no additional charge if you return the vehicle up to one hour later than the prescheduled time.
- If the vehicle is returned in the middle of the rental period, then the early cancellation fee that is normally charged (50% of the difference) will be free of charge.

Rental Car Assistance Pack (RAP)	Service Fee(For Each 24-Hour Period)
5 Passengers Car	660Yen (Tax Included)
8 Passengers Car	1,320Yen (Tax Included)
