

## 3.4. Acquisition of Narcotics/Stimulants

- Narcotics and stimulants can only be purchased from a commercial narcotics handler and a stimulants manufacturer, respectively. It is necessary to obtain a permit of purchase from the Controlled Drug Management Officer.
- ▶ A proof of transfer-in and -out must be exchanged in the purchase process
  - ▶ Narcotics/stimulant researcher needs to attend the acceptance inspection
  - ▶ A proof of transfer-in is issued under the name of the President, not faculty or researcher
  - ▶ The Animal Resources Section purchases narcotics for animal experiments in bulk and subdivides them into smaller portions for researchers
  - ▶ Send the original document of proof of transfer-out to the Controlled Drug Management Officer because it is necessary to keep it for 2 years
