BPW Barbados operates a 24 hour Crisis Centre hotline which started in 1986 as a response to outrage of rapes and murders. It provides confidential counseling and referrals for victims of violence and general counseling issues. It also serves as:

- An information centre
- The primary contact for potential shelter residents
- A support base for ex-residents and repeat callers
- A medium for receiving phone-based counseling for a myriad of problems
- An avenue for setting up face-to-face counseling
- The medium for contact with The Royal Barbados Police Force and the social agencies
