# ORC EVENTS

## Scientific and social events

Science Digest

Researchers Social

2021 Researcher Appreciation Month

And much more!

# ORC 2022 projects

## Partnership with C-Hub

OIST

C-HUB

Center for  
Professional Development  
& Inclusive Excellence

### Non-faculty teaching initiative

Design and implement opportunities for teaching training and practice at OIST.

### Job Application Clinic

We offer on-demand, confidential peer-review of job application documents (Cover Letter, CV, Research & Teaching statements), and we can help you practice for mock interviews and chalk talks.

## Strengthening ORC's presence in the OIST community

- **ORC Open House / Meet & Greet**
- **ORC Peer Supporters**
- **Farewell** for the President Dec 2022 / **Welcome** new president Jan 2023
- Participation in the **Let's Open Talk (LOT)**
- Presenting ORC in **NEO (New Employees Orientation sessions)**
- **STG & ORC Alliance**
- Advisory Board Activities (**GEDI, Library, SDG...**)

## Events

### Tax & Finances Info Sessions

Info sessions about all matters related to the tax system in Japan, with attention to tax matters when we leave OIST and Japan.

### Researcher Appreciation Event 2022

Celebrating the OIST researchers' contribution in a yearly event at OIST (we are working on this year's format for this event!)

### Insight seminars / Science Digest

Revive the Science Digest, or launch a new monthly series of seminars, bringing speakers from all over the world via Zoom.

Let us hear  
your opinion!
